

LOCO AMIGOS COVID-19 SAFETY PROTOCOL

We at loco Amigos are Proud to introduce our Covid-19 Safety Protocol. We have designed, and implemented this safety system into all of our events, setting the Benchmark now, and in our bright future of bringing the Best in Live Events.

Our MAYHEM event in Red Deer is our Launch platform and we are honored to be granted approval from AHS to hold this Great Event. We do realize the eyes of the world are upon us and we welcome the opportunity to step up to the plate in troubled times and hit this one out of the Park!!

Allow us to walk you through our MAYHEM Event.

Ticket Purchasing

- Our Ticket purchasing program is designed to eliminate as much chance of cross contamination as possible.
- All attendees within a single vehicle should be from the same household or cohort family.
- Base Ticket purchase for drive in events are sold on a 2 person occupancy entry. You may purchase additional passenger entry tickets to add onto your base ticket but only at time of base ticket purchase.
For Example:
- Only 275 Main Lot Tickets are being offered per show, purchase base ticket (Driver plus one passenger) then purchase add on tickets for additional passengers. All tickets are registered with vehicle license plate #.
- This system is in place to help ensure same residence & social circle.
- There are: 275 Main lot tickets per show.
- There are: 107 VIP (Front 3 Rows) Tickets per show.
- There are: 200 Amphitheatre walk in open air tickets per show.
- These are available Ticket totals per show
- 2 shows per day.
